

# CORA Coaching-Programm

## Coaching Women for Research and Academia

### Call for Applications

You are a postdoctoral researcher, junior professor, or research group leader aiming for a professorship or leadership position in academia and are ready to take your career to the next level - with expert coaching, targeted trainings, and room to reflect and grow? Then apply for the Coaching Programme CORA!

CORA is a career development program specifically designed for excellent women, intersex, non-binary, transgender, and agender researchers from all faculties who want to actively and strategically shape every stage of their academic career.

#### What CORA offers:

- **Individual coaching** – up to 8 tailored one-on-one sessions with professional coaches
- **Exclusive trainings** – focused on strategic career development and preparation for professorships
- **Networking** – regular exchange, support, and motivation among participants

**Applications are open until March 15, 2026**
