Round Table Discussion on

„How to boost your academic career - Tips from successful scientists“

Tuesday, 17. September 2019

14:30 – 16:30

Target Group:	Clinician Scientists, Postdocs & Early-Career Researchers
Time and venue:	Tuesday, 17. September 2019 14:30 - 16:30 Großer Hörsaal, Innere Medizin
Organisation:	Research Management, Faculty of Medicine

Description

With this event the research management of the Faculty of Medicine provides a forum for information and exchange for early-career researchers about their academic career development. Successful scientists will talk about funding opportunities in the transition from early-career researcher to leading researcher and share their personal experience of moving to the next career steps.

Confirmed Speakers:

- **Prof. Dr. Anna Köttgen** (Heisenberg and Emmy Noether grantee, Institute of Genetic Epidemiology)
- **Prof. Dr. Claudine Kraft** (ERC Consolidator grantee, Institute for Biochemistry and Molecular Biology)
- **Dr. Miriam Schmidts** (ERC Starting grantee, Center for Pediatrics and Adolescent Medicine)
- **Dr. Nora Vögtle** (Emmy Noether grantee and Eliteprogramm für Postdocs, Institute of Genetic Epidemiology)
