Declaration of Academic Integrity

Title:

I hereby declare that

- The submitted work has been independently produced by me;
- I have not used any sources or tools other than those indicated, and all passages that have been taken directly or indirectly from other works are clearly marked as such;
- the submitted work has not previously been submitted, either in whole or in substantial parts, as part of another examination process.

The list of materials used provides a transparent account of any AI-based software employed within the permitted scope. This is documented in the appendix of the paper.
