

## Affidavit on the independent provision of an oral doctoral examination in a video conference

Please print, complete it in block letters and sign by hand. It must be submitted together with the request to conduct an oral videoconference exam by mail or as a scan/photo by e-mail. Please ensure that the document is complete and legible.

I,

\_\_\_\_\_  
First and last name

affirm that in my oral examination for my doctorate held

on \_\_\_\_\_  
Date (if known)

at the \_\_\_\_\_  
Faculty

I will perform the examination independently, refrain from cheating and use only permissible aids.

Should any disturbances occur during the course of the examination which could be considered as cheating or the use of inadmissible aids, I will disclose these immediately.

I am aware that any attempt to influence the result of the examination through cheating or the use of inadmissible aids will always result in failure of the examination.

I am aware of the significance of the affidavit and the criminal consequences of an incorrect or incomplete affidavit:

According to § 156 StGB (German Penal Code), anyone who makes a false declaration before an authority responsible for taking an affidavit in lieu of an oath or who makes a false statement with reference to such a declaration will be punished with imprisonment for up to three years or with a fine.

According to § 161 StGB, anyone who negligently makes a false statement before an authority responsible for taking an oath will be punished with imprisonment of up to one year or a fine.

**I hereby swear that I have declared the truth to the best of my knowledge and have not concealed anything.**
